

Factsheet: IIA-Australia Professional Membership

Updated 2020

Why join the IIA-Australia?

- › Internal auditors who join the Institute of Internal Auditors–Australia (IIA-Australia) contribute to the standing of the internal audit profession in the community, as well as gaining benefits provided by being part of a professional community.
- › Members of the IIA-Australia receive a range of support, services and information which helps them perform their roles, improve their skills and knowledge, and keep up-to-date.
- › The IIA-Australia builds and promotes the value of the internal auditing profession.
- › IIA-Australia members have access to a large range of technical training and qualifications, as well as a variety of professional development opportunities.

What memberships are available?

IIA-Australia has memberships in the following categories:

- › Associate Member (AMIIA) – for those on the path to becoming a Professional Member, or with an interest or involvement in internal auditing.
- › Professional Membership (PMIIA) – experienced internal auditor.
- › Affiliate membership – for non-internal audit practitioners who work closely with internal auditors.
- › Group membership.
- › Student membership.
- › Retired membership.

Further information on the different membership types are available at:

Why consider IIA-Australia Professional Membership?

- › Professional Membership demonstrates that a certain level of competence as a professional Internal Auditor has been attained in the context of the IIA Definition of “internal auditing” performed in accordance with the IPPF.
- › It is the highest form of membership with the IIA-Australia.

Pathways to Professional Membership

1. CIA® Pathway

- › Complete the Certified Internal Auditor® (CIA)® program of three units.
- › Automatic progression to Professional Membership (PMIIA).
- › Applicant completes application form making declaration regarding use of IPPF.
- › There is no additional cost.
- › <https://global.theiia.org/certification/CIA-Certification/Pages/CIA-Certification.aspx>

2. GradCertIA Pathway

- › Complete the four units of the postgraduate qualification Graduate Certificate in Internal Auditing (GradCertIA).
- › Automatic progression to Professional Membership (PMIIA) for those with two plus years of internal audit experience.
- › Applicant completes application form making declaration regarding use of IPPF.
- › There is no additional cost.

3. Assessment of Current Competence Pathways

This can apply to in-house internal auditors and internal audit service providers.

For the following options, please note:

- › The portfolio needs to comprise documents you have personally prepared.
- › If documents cannot be provided because of commercial-in-confidence or security restrictions, the IIA-Australia can discuss other arrangements, such as:
 - (i) redacting organisation name and identifying information.
 - or
 - (ii) a meeting with an IIA-Australia assessor, so documents can be reviewed, but not retained.
- › If necessary, a non-disclosure agreement can be signed by the IIA-Australia assessor.

(a) Current Competency Pathway – Portfolio

- › Involves assessment of current competency where the applicant provides a portfolio to demonstrate internal audit competency.
- › An assessor is appointed by the IIA-Australia.
- › Assessments are graded either pass or incomplete.
- › Based on strength of the portfolio, the assessor can recommend to the IIA–Australia progression to Professional Membership (PMIIA).
- › There is a one-off fee of \$250.

(b) Current Competency Pathway – External Quality Assessment

- › Involves an assessment of current competence where a successful external quality assessment (EQA) has been performed within the past five years as required by Standard 1312.
- › The EQA process reviews your capability and competence as an internal auditor.
- › Based on the EQA result, the EQA assessor can recommend to the IIA–Australia progression to Professional Membership (PMIIA).
- › There is a one-off fee of \$250.
